

Scott White

EXECUTIVE DIRECTOR, STRATEGIC INITIATIVES

Scott is an experienced serial entrepreneur, founding Pragmatic as his sixth technology venture. He was also a co-founder and board director at computer vision-based AI company Cortexica, acquired by Zebra Technologies. Past successes include Azea Networks, which he grew from concept to 8 figure sales levels before acquisition. He has lived and worked across the globe including Australia, Japan, Singapore, Indonesia, the US and UK.
